Disappearing Discs Assets License:

Font and Sound Effects

The font, Pusab, and sound effects are not owned by Matt Heaney Apps and are free to use assets. The full license for Pusab can be found here: <http://www.dafont.com/pusab.font> . Pusab is made by Bagal and Co.

The sound effects are public domain.

Images

The images are owned by Matt Heaney Apps. These free images are for personal use only. They are designed to be place holder images so you can complete the tutorial, allowing you to make your own images for your version of this game. You are not allowed to use the graphics in any way, commercially or non-commercially, apart from to complete the tutorial. You cannot sell the images individually or as a pack, redistribute the images individually or as a pack, use them on the App Store or any other project.
